RE: Docket No. 2006-190-T/Request for Confidential Treatment

Dear Mr. Terreni:

The Office of Regulatory Staff ("ORS") respectfully asks that the Commission hold Mr. Turner's request for confidential treatment in abeyance until the hearing on the application for the Class E Certificate of Public Convenience and Necessity. Pending a ruling from the Commission at the hearing, ORS will treat the financial data submitted with the application as confidential. ORS understands that the financial data submitted with the application is not currently posted on the Docket Management System.

Specifically, ORS seeks the opportunity to discuss with Mr. Turner the requirements of the Freedom of Information Act ("FOIA") as well as any possible issues regarding the annual filing requirements of motor carriers.

Very truly yours,

Nanette S. Edwards
